AN URGENT MESSAGE FROM YOUR FRIENDS AT SnackSafely.com

We Must Do It!

**Don't be another
statistic in the war
on anaphylaxis**

**Take 2 epinephrine
auto-injectors
along everywhere,
every time!**

An urgent message from your
friends at SnackSafely.com

A group of seven people are white-water rafting in a red inflatable raft. They are all wearing helmets and life jackets, and holding blue paddles. The raft is navigating through turbulent, white-water rapids. The background shows dark, rocky riverbanks with some green foliage. The overall scene is one of adventure and excitement.

**Take two epinephrine auto-injectors with you
everywhere, every time...**

**...because you *never* want to find yourself
up a creek without a paddle!**

An important reminder from your friends at SnackSafely.com 

I WANT YOU
